Net loss \$299.27
Accepted unanimously 18:07.

H&I - Happy to announce that last Friday was the first successful Zoom H&I Old Vineyard meeting! Currently trying to find a willing strong female presence to cover Tuesday nights for Old Vineyard, since the Friday evening is historically run by a men's group. Reached out to Daymark to see if we can bring H&I meetings there as well. Hopes to eventually begin working with hospitals again.

Accessibilities - Not present, submitted a report, working on the same things as last meeting. Current chair is stepping away from the role. If we could get the word out that there is the position available that would be helpful.

Answering Service - Not present

CPC/CI - Not present

Men's/Women's Corrections - Not Present

Literature - Did place an order about a week ago. Plans to drop by soon and ensure we are well stocked. For details, what was ordered, and how much was spent, will bring a report in the future if necessary. Ray G. offered to sell us a refurbished computer for the new bookstore POS at \$200. It was noted and passed from the co-chair that 12/12 Hardbacks are low, silver tokens are low, etc. There have also been some requests for a non-AA approved book, 24 Hours a Day, which we are already approved to carry in the store. A motion was made to set aside \$206 for a computer for the book store passed unanimously.

Website - Nothing new to report

District 17, 18, 19 - All not present

NCCYPAA - Nothing new to report

OLD BUSINESS:

N/A

NEW BUSINESS:

Chairperson asked about archiving the minutes and treasurers reports going forwards, something like a master location for our information. It was discussed that our website has this capability, it's just not very user friendly. It is a topic to consider for 2021.

UPCOMING EVENTS:

- King Serenity Valley has closed the in person location until February.
- District 18 is tentatively planning an event around the history of AA in the Winston Salem area towards the end of January. Keep radar open.
- The international women's conference is coming up and going to be a lot of fun in February.

Motion to close accepted unanimously 18:42.
