H&I: Absent/Report follows -

The H+I chair position is still up in the air, after I step down. I have reached out to a few folks. They either don't have enough sober time, or have other commitments. I am on the search. If anyone has a person they think would be a good fit, please pass my number to them or theirs to me. I also have been trying to get Darrell B to commit to purchasing Big Books for ARCA, as we have discussed for about a year. More to come! Lastly, service opportunities have been busy at ARCA and Old Vineyard. Give me a call or text, if you want to join in.

Accessibilities: Absent

Answering Service: Absent

CPC/PI: Absent

Men's/Women's Corrections: Absent

Literature: Nothing to report.

Website: Not much to report. Made a few requested changes. One thing that is new is that as changes slow down, there is a current paper schedule to be printed for groups. [Http://www.nwpi.net/2018/printed/Current\\_AA\\_Schedule.pdf](http://www.nwpi.net/2018/printed/Current_AA_Schedule.pdf)

District 17/19: Absent

District 18: Had their event last month, almost 100 people there! 12 groups submitted to the Chili cook off! Was an awesome good time. They are having elections this month as well. Will be the first Weds in Dec on Zoom. More info see Joanna K.

Two more points prior to closing:

- One of the doors at the intergroup office was left unlocked!
- Please let us know if there is interest in paper copies of the meeting schedules readily available in the intergroup office versus letting groups print their owns.
