Old Business:

501c3 update - With plenty of help from the IRS website and other members, we got all paperwork filed! The IRS site says not to check back for at least 30 days. All the paperwork to be reviewed are posted with a username and password on the website. We are required to have several documents available for review and they do have some members' names, so a note to respect anonymity.

The benefit of us being 501c3 is mainly that we are tax exempt and do not have to pay taxes. People can also benefit on their taxes by writing off donations. Also many companies, including PayPal which we use, offer lower fees for 501c3 companies.

New Business:

- We need to fill accessibilities position, so if you know anyone please send them our way! We will send out a little position summary.
- We are also going to have a couple of board of trustee's positions coming available. One from District 17 and 18. These positions do have to stay filled so we will be looking for people.

UPCOMING EVENTS:

Dancing event coming up, flier attached!

Next meeting April 15th.

Meeting adjourned at 18:35.
