\$1632.12 Net loss

We are \$1938.95 into our prudent reserve but do have an estimated \$5000 in literature inventory.

H&I - Things are going steady with what is available. Steady speakers at ARCA on Tuesdays and Sundays, Thursday ask it basket successful. Old vineyard on Friday nights is mimicking ARCA formatting and still "hit or miss" on the facility's end. Still working on getting a literature order from Darryl for ARCA.

Accessibilities - Currently open position. If you have any ideas please send them our way. We also have been discussing letting the ride share app go. It is a \$50/mo charge and has been at a standstill. A more lengthy discussion was held about the app and being able to kill it/bring it back, working or not working, etc. Discussion tabled until next month.

Answering Service - Most calls are coming from people who want meetings in person. We are still getting a lot of "robo" calls.

CPC/PI -

Men's/Women's Corrections -

Literature - The bookstore is STOCKED. it's got books, 12/12s, AA Dictionary, Drop the Rock, everything is loaded and Bucky is still doing a great job meeting people there for sales.
