Reports:

Treasurer -

913 in contributions

282 literature sales

1195.40 income

1440 expenses

Net loss 225

THANK YOU to all groups and individual contributors. For more detailed treasurer reports see attached reports with minutes.

H&I - ARCA meetings are going to continue on zoom, waiting to hear back from old vineyard about whether or not they are going to switch back to zoom. Past attempts to do zoom at old vineyard was quite a failure. ARCA does seem to be going well and he has allowed a group in high point to jump in and find speakers for the Tuesday night meeting.

Accessibilities - Bob has emailed out a survey asking us to fill them out for their homegroups. There's one in your inbox and they're easy and quick to fill out.

Answering service - Absent

CPC/PI - Absent

Corrections (Men + Women's) - Absent

Website - Been a fair number (6) of meeting changes since last month. Marshall group is open, summit changed their time, etc... All of the agendas, meeting minutes and treasurer reports are archived under password protection on the website for us to access at any point. The 501c3 determination letter has been posted now.

District 17, 19 -

District 18 - Thinking/working on having a district event! Ideas: A chili cook off, skit about meeting etiquette and "how to chair a meeting". Looking at selecting a weekend in October.

NCCYPAA - conference was a success!! We had over 203 attendees and gave away 40 scholarships. We ended up closing out with just over \$4000 and at our next (final) business meeting we will decide what to do with the money (if we can do anything) before turning over to advisory.

Old business:

No old business to note.

New business:

We need to identify a new literature chair. Last meeting it was publicized. Current chair is hoping that whomever is willing and able to stand as the literature chair and serve out this term into the next. No one stood for the position at this time. Currently the bookstore is only open on Saturdays.

Group announcements:

Clemmons group has decided to shut down their zoom meetings, so they are only meeting in person.

Tolerance is looking to have a group inventory and are looking for candidates to lead that.

Ardmore group is still keeping their zoom open so they are serving as a hybrid meeting.

10:30 group is still open however the church has asked for masks to be required.

Next meeting September 16.

Meeting closed with responsibility statement at 18:32.
