About VHVH

Veterans Helping Veterans Heal (VHVH), a private 501(c)(3) non-profit entity owned and managed by the North Carolina Housing Foundation (NCHF), operates a 24 bed extended-term housing program in Winston-Salem, NC for homeless male veterans. VHVH is a partner in the Ten Year Plan to End Chronic Homelessness and serves homeless veterans with mental health and/or substance abuse issues referred by the Veterans Administration (VA).

In 2010, Winston-Salem's Ten Year Plan to End Homelessness identified that there were more than 300 homeless veterans every year in our community. Many of the homeless have mental health and/or substance abuse issues. The NCHF in collaboration with the VA and with the help of key partners created VHVH to focus on supporting these veterans.

Please come join to help our Veterans with fellowship, strength and hope. We are requesting volunteers to help chair the meetings.
